

Curriculum Statement

Curriculum Learning

As a learner, over time, the children will:

- Reach their academic potential.
- Make progress in their personal and social development.
- Actively participate in a range of learning opportunities.
- Access an inspiring and personalised curriculum.
- Develop knowledge, skills and understanding to further their learning.
- Develop their independence and resilience.
- Develop skill for lifelong learning.

Health and Well being

As a learner, over time, the children will learn to:

- Feel safe, happy and well balanced.
- Play and enjoy leisure time.
- Understand and manage their feelings, emotions, friendships and relationships with others.
- Follow hygiene and safety routines.
- Practice positive mental health approaches.
- Understand all the requirements of a healthy diet and lifestyle.

When learners leave Willow Grove we want them to:

- Be **Positive**.
- Be **Kind** and show **Acceptance** to others.
- Be **Reliable**.
- Show **Belief** in themselves.
- Be **Respectful**.
- Show **Tolerance** and **Friendship** with others.
- Develop **Life skills**.
- Have a **Healthy** body and mind.
- Share a sense of **Belonging** in their community.

At Willow Grove we recognise that all learners have an entitlement to access an inspiring and personalised curriculum.

We believe that through our teaching and learning we challenge our learners to achieve in all areas beyond their own self-beliefs, developing a determination to learn, achieve and succeed.

ADHD/Attachment and Trauma Approach to learning

As a learner, over time, the children will learn to:

- Recognise triggers for their own anger, anxiety or frustration
- Develop an awareness of the skills and resources which are available to help with self-regulation
- Use early interventions and sensory breaks to reduce problems

British Values/ SMSC

Through the curriculum we promote British values:

- Democracy
- Individual liberty
- Rule of Law
- Mutual Respect
- Tolerance of different beliefs and faiths.

Cultural Capital

As a learner, over time, the children will learn to:

- Access real life scenarios, tools and activities.
- Engage in opportunities in school and within the local area and community.
- Develop aspirations and thinking for the future.
- Access and celebrate social and cultural opportunities.
- Be accepting and resilient when faced with diversity.
- Become a successful member of the community.

Character

As a learner, over time, the children will learn to:

- Actively promote good character traits
- Develop good mental wellbeing, resilience and confidence in my abilities and talents
