

Modern Foreign Language - Spanish

At Willow Grove School we teach our children Spanish. It is our intention that all children in Key Stage 2 will access a Spanish curriculum which will develop their knowledge and progressively increase their vocabulary and skills in developing languages. They will use and apply an increasing bank of vocabulary and knowledge of cultural differences which will enable our children to be more confident/understanding global citizens.

Intent

To provide a broad and balanced curriculum which is progressive in knowledge, skills and vocabulary

To give our children an understanding and appreciation of the Spanish Culture.

To enable our children to be a confident/understanding global citizen.

To offer our children new and exciting opportunities and experiences to learn.

To promote our school values and British Values.

To prepare our children for the next steps in their learning.

To learn using trauma informed approaches.
