

## Science Curriculum Map Year C

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Y1	Animals including humans – classifying animals	Seasonal changes – Autumn/ Winter	Everyday materials	Seasonal changes – Spring/ Summer	Plants	Scientists & Inventors Fair Tests
	Biology	Physics	Chemistry	Physics	Biology	Working scientifically
Y2	Living things and their habitats	Animals including humans – basic needs	Uses of everyday materials	Plants	Biodiversity - Minibeast	Scientists & Inventors Fair Tests
	Biology	Biology	Chemistry	Biology	Biology	Working scientifically
Y3	Rocks	Animals including humans – nutrition, skeleton & muscles	Forces & Magnets	Plants	Light	Scientists & Inventors Fair Tests
	Physics	Biology	Physics	Biology	Physics	Working scientifically
Y4	Living things and their habitats	Animals including humans – digestion	Electricity	States of Matter	Sound	Scientists & Inventors Fair Tests
	Biology	Biology	Physics	Chemistry	Physics	Working scientifically
Y5	Properties & changes of materials	Forces	Earth & Space	Animals including humans – human life cycle	Living things and habitats	Scientists & Inventors Fair Tests
	Chemistry	Physics	Physics	Biology	Biology	Working scientifically
Y6	living things and their habitats	Animas including humans – diet, exercise, nutrition, blood	Light	Electricity	Evolution & Inheritance	Scientists & Inventors Fair Tests
	Biology	Biology	Physics	Physics	Biology	Working scientifically
