Dear parents and carers,

I am delighted to introduce myself as the new Headteacher of Willow Grove Primary School, starting on January 1st, 2025. Over the past few weeks, I have had the pleasure of spending time at the school, getting to know our wonderful children and staff. I am very much looking forward to meeting all of our parents and carers in the new term.

With 21 years of experience in education, I have worked in various leadership roles in large primary schools across St Helens and Liverpool. Alongside this, I bring extensive expertise as a Special Educational Needs Coordinator and a background in trauma and attachment-informed practices. I am truly excited to join Willow Grove's dedicated and passionate team.

I believe that a successful, happy school depends on us all working together. As parents and carers, you play a vital role in your children's achievements, and I look forward to strengthening the partnership between you and the school.

After the Christmas break, I will reach out with details of upcoming drop-in sessions, where I will be able to introduce myself personally and share my vision for Willow Grove. These sessions will be held on various dates and times to allow as many families as possible to attend.

Additionally, I'll be available at the school gate before and after school, so please feel free to come and say hello if you are on site.

Yours faithfully,

L. Glover
